Dear Mr. Ziegler:

On February 28, 2014, the Division of Oil, Gas and Mining was notified that surety bond 5006989, issued by Bond Safeguard Insurance Company, has been reinstated. Thank you for having the bond reinstated.

Though the bond is still in effect, the AM Best financial strength rating for Bond Safeguard Insurance Company is B++. You were notified by letter dated February 10, 2014, of the need to replace the surety within 120 days of receipt of the letter. The letter was received February 14, 2014, so the replacement must be received by June 14, 2014.

Please contact Penny Berry at 801-538-5291 if you need further information about submitting a replacement bond. Thank you for your cooperation.

Sincerely,
